It is reported by the Range Forests officer, Molakalmuru in his letter No. R.C.2/58-59 dated 29-8-63, to the effect that the parties have come to know this encroachment only at the time of resurvey. Hence it appears that they are claiming this land from that day onwards.

Observation No.3:-

From the forest point of view the then Conservator of Forests and The Divisional Forest Officer have agreed to acquire this bit of land. With regard to the acquisition charges of Rs. 225/- as proposed by the Assistant Commissioner (Land Acquisition Officer) Chitradurga it is for 14 guntas of land i.e., from S.No.52 of Sri Gattanaik bin Boranaik - 7 guntas (2) From Survey No. 53 of Sri Thpperaiah bin Kariyappa - 3 guntas and (3) From S.No. 55 of Smt. From the perusal of the calculation sheet of the acquisition charges, it includes the cost of land, loss sustained by the Khatedars, statutory allowance at 15%, establishment charges at 10% and assessment for 35 years. The copy of the same is herewith submitted for ready reference.

Further the Assistant Commissioner Chitradurga in his letter No. LAC-2/61-62 dated 1-2-1964 has sent the connected acquisition record to countersign the draft notification, proforma 'D' and acquisition charges calculation sheet and the acquisition charges of Rs. 225/- has to be deposited under the head "Revenue deposits". To fill up the proforma 'D' etc., the orders of the higher authorities are required. Therefore I once again request you that the sanction to incur the sum of Rs. 225/- under the head B.L(1)XII (a) ~~XXX~~ Soil conservation Scheme Afforestation may kindly be obtained and orders communicated to this office to take further action in the matter.
